Terms of Business

Purchasers

- **The auction is conducted under the Philatelic Auctioneers Standard Terms and Conditions of Sale** (1973 Revision). The placing of a bid is taken as full agreement to these. For Postal Bidders we will buy on your behalf at the lowest possible price, subject only to other bids received or reserves. Please do not bid below our house reserve of 80% of estimate, as these are unlikely to succeed. Please check your bids as we cannot accept the return of any lots bid on in error. All bids must be in £ Sterling.
- **Lots marked with an asterisk *** are subject to additional VAT at the current rate.
- **There is a buyers premium of 15% plus VAT.**
- **In the absence of postal instructions**, lots purchased inland will be sent by certificate of posting/recorded delivery (up to £100) or registered post (over £100). Lots sent overseas will be consigned by recorded or registered air mail post. Postage, packing and insurance costs shall, in all cases, be borne by the purchaser. There is a handling fee of £2 for packing & insurance, applied to each consignment.
- **Please avoid phoning for results the day after the sale, as we are exceptionally busy. We try to despatch lots the week of the sale, but it may take up to a week to complete this task. Please bear with us.**
- **We do strive for complete customer satisfaction and will accept the return of lots for an immediate refund**, however as we have a duty to pay our vendors promptly 60 days after the sale, no returned lots can be accepted beyond 28 days from the date of the auction. NO EXCEPTIONS can be made unless an extension is requested when bidding. In line with this policy, unpaid pro-forma invoices will be cancelled 42 days after the sale and the lots returned to the Vendor. A lot may be returned which has been incorrectly described for a full refund, except in the case of Collections or Mixed Lots which are sold on an 'as-is' basis and not subject to rejection.
- **All lots must be paid for within 14 days of invoice receipt.** Payment can be made by signed and crossed blank cheque (Eurocheque with number on reverse up to £200), or Sterling draft or money order, or by Credit card (Access / Mastercard / Visa / Eurocard only) or debit cards. Overseas customers paying in currency other than £ Sterling must add £6 to their invoices to cover bank charges. After 28 days unpaid invoices will have interest added at the rate of 2% per calendar month or part month.
- **Postal viewing facilities are regrettably not available.** However a photocopying service is available free for all lots except collections.

Vendors

- **There is a commission rate of 10%** (plus VAT) for Vendors and payment will be made 60 days after the sale, subject to payment having been received by us. There is a minimum commission of £4 per lot sold. There are no unsold charges providing we agree with the reserve prices.
- When consigning items, **please ensure a minimum lot value of £50 and total consignment value of £200.** Items worth less than this figure will be amalgamated at the auctioneers discretion. Unsold lots can usually be placed into a subsequent sale at a reduced estimate. Kindly advise us after the sale whether lots are to be reoffered or returned. Kindly note all return costs are to be borne by the vendor.
- Boxes of Catalogues, magazines and kiloware will be taken for auction on the understanding they may be combined with other material to achieve the minimum lot value or offered unreserved.
- Withdrawal of lots before the auction but after the catalogue is printed will incur a fee of £4 per lot.
- Whereas every effort is made to security of items left with Alliance Auctions, no obligation can be given to expensive or high catalogue items in one-country collections or mixed lots unless itemised in the description.

Public & Postal Auction No. 247

Tuesday, December 4th 2018 at 7.30 p.m.

Welcome to our last sale of 2018. Naturally we wish everyone a wonderful Christmas and a truly happy, healthy and prosperous 2019 with lots of great philatelic buys!!

One thing came up with a returned lot what is modern? In philatelic terms early is 19th century, middle 1900 to 1950s and modern 1960s onwards. But of course 1960 is nearly 60 years ago so if you want very modern please ask if there are post 2000 issues. Most lots are not that modern it seems to take some time to filter into the market. We will try to say issues to say c2004 or whatever.

Please try and join us for this sale for some mince pies and a few extra goodies.

Remember you can always bring us some lots for future sales and if you bid by post and miss out unsolds are available for some time after the sale at reserve.

Our January sale is not the first Tuesday which is the 1st of January but will be 8th January.

Lesley John and staff
