How to make £10 free from Alliance Auctions

We all know how costs rise year by year. Printing costs go up, paper prices go up, so do envelopes let alone postage. We love to send out catalogues but it is getting prohibitively expensive.

Therefore just send us your email address and each month we will advise you when the catalogue is online. We will advise you again 2 days before the sale. If you do this then you get a £10 voucher to spend in our sales.

We know some of you like to have a paper catalogue, and of course, if you do we will happily continue to supply these as we do at the moment.

Terms of Business

Purchasers

- **The auction is conducted under the Philatelic Auctioneers Standard Terms and Conditions of Sale** (1973 Revision). The placing of a bid is taken as full agreement to these. For Postal Bidders we will buy on your behalf at the lowest possible price, subject only to other bids received or reserves. Please do not bid below our house reserve of 80% of estimate, as these are unlikely to succeed. Please check your bids as we cannot accept the return of any lots bid on in error. All bids must be in £ Sterling.
- **Lots marked with an asterisk *** are subject to additional VAT at the current rate.
- **There is a buyers premium of 15%** plus VAT.
- **In the absence of postal instructions**, lots purchased inland will be sent by certificate of posting/recorded delivery (up to £100) or registered post (over £100). Lots sent overseas will be consigned by recorded or registered air mail post. Postage, packing and insurance costs shall, in all cases, be borne by the purchaser. There is a handling fee of £2 for packing & insurance, applied to each consignment.
- **Please avoid phoning for results the day after the sale, as we are exceptionally busy. We try to despatch lots the week of the sale, but it may take up to a week to complete this task. Please bear with us.**
- **We do strive for complete customer satisfaction and will accept the return of lots for an immediate refund**, however as we have a duty to pay our vendors promptly 60 days after the sale, no returned lots can be accepted beyond 28 days from the date of the auction. NO EXCEPTIONS can be made unless an extension is requested when bidding. In line with this policy, unpaid pro-forma invoices will be cancelled 42 days after the sale and the lots returned to the Vendor. A lot may be returned which has been incorrectly described for a full refund, except in the case of Collections or Mixed Lots which are sold on an 'as-is' basis and not subject to rejection.
- **All lots must be paid for within 14 days of invoice receipt.** Payment can be made by signed and crossed blank cheque (Eurocheque with number on reverse up to £200), or Sterling draft or money order, or by Credit card (Access / Mastercard / Visa / Eurocard only) or debit cards. Overseas customers paying in currency other than £ Sterling must add £6 to their invoices to cover bank charges. After 28 days unpaid invoices will have interest added at the rate of 2% per calendar month or part month.
- **Postal viewing facilities are regrettably not available.** However a *photo*copying service is available free for all lots except collections.

Vendors

- **There is a commission rate of 10%** (plus VAT) for Vendors and payment will be made 60 days after the sale, subject to payment having been received by us. There is a minimum commission of £4 per lot sold. There are no unsold charges providing we agree with the reserve prices.
- When consigning items, **please ensure a minimum lot value of £50 and total consignment value of £200.** Items worth less than this figure will be amalgamated at the auctioneers discretion. Unsold lots can usually be placed into a subsequent sale at a reduced estimate. Kindly advise us after the sale whether lots are to be reoffered or returned. Kindly note all return costs are to be borne by the vendor.
- Boxes of Catalogues, magazines and kiloware will be taken for auction on the understanding they may be combined with other material to achieve the minimum lot value or offered unreserved.
- Withdrawal of lots before the auction but after the catalogue is printed will incur a fee of £4 per lot.
- Whereas every effort is made to security of items left with Alliance Auctions, no obligation can be given to expensive or high catalogue items in one-country collections or mixed lots unless itemised in the description.

Postal Auction No. 271

Closing Date: Tuesday, December 1st 2020 at 7.30 p.m.

This is our last sale of 2020, a difficult year when we ran just 3 public auctions. We are anxious to get back to proper public sales in 2021. With this second lockdown we hope some of you will have dug out some surplus material as we have many clients anxious to buy.

Last month Easy Live could not be set up in time. This time we hope it will be online.

We wish you all a lovely Christmas and a great 2021 but above all a safe and healthy new year

Dear Collector,

As a valued customer of Alliance Auctions, I am inviting you to join our **APPROVAL SERVICE**.

Since 1975, I have been sending quality material, keenly priced, often at 35-40% of catalogue.

Over the years, the business has expanded. We now have over 5,000 individual country books, most of which are categorised by reign or period. You tell me what you want.

This is an excellent way to buy. You can carefully examine each stamp in the comfort of your home for 14 days viewing.

If you would like a trial mailing, please contact me at the above postal or e-mail address or phone on 01923 269775.
